Coursing is an athletic activity that can tax a dog's physical strength. Dogs that are overweight and/or out of condition may be at greater risk for injury and exhaustion. The Inspection Committee has the authority to disallow a dog's entry into a test, and in such instances, applicable entry fees will be refunded.

Tests Offered:

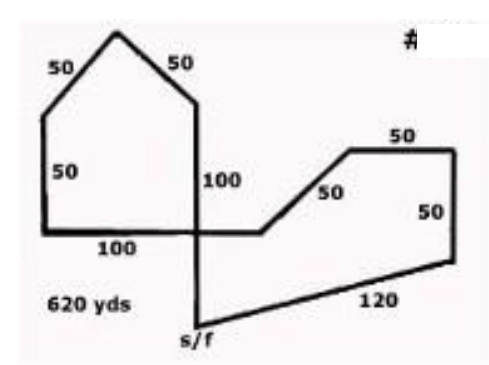

Coursing Ability Test – The purpose of the AKC Coursing Ability Test is to provide all dogs and their owners an enjoyable, healthy activity in which they can participate. Dogs run singly and are required to complete their course with enthusiasm and without interruption within a maximum amount of time. This is a pass - fail event based on the sport of lure coursing, Coursing Ability Tests will serve as an introduction to the sport for all eligible dog owners.

All dogs run alone on a course of either 300 or 600 yards. The course shall be generally rectangular in shape with turns no more acute than 90 degrees.

Saturday

Sunday

300 Yard Course – This distance is for dogs shorter than 12 inches at the withers and/or brachycephalic ("flat-faced") dogs. A dog must complete this course in less than 1½ minutes.

600 Yard Course – This distance is used for all dogs that do not run the 300 yard course. A dog must complete this course in less than 2 minutes. If there is a question which course a dog should run, the judge will decide. Veteran dogs may run two-thirds of the normal distance at the owner's discretion.

The judge keeps the official time and decides the merits of the dog's performance.

FOR FIRST TIME COURSERS AND HANDLERS

WHAT ARE PRE-ENTRIES? – Entries made before the closing date. If your entry is mailed in time yet due to the failure of the postal service it is not received in time for the Test Secretary to have it at the Event, then you will have to fill out day of entry forms on the day of the trial. Always have your dog's registration materials with you when you go to a test.

WHAT ARE "DAY OF" ENTRIES? – Entries accepted after the closing date for pre-entries are considered Day of Entries. The deadline for Pre-entries is typically 2-3 days before the event. "Day of" entries are usually more expensive because the Field Test Secretary (FTS) must take extra time to add those entries to the record sheets the morning of the test, which delays the start of the trial. If you are entering on the day of the test, you **MUST** have your completed entry to the Test Secretary **BEFORE** Roll Call.

SLIP LEADS – There is a type of collar for coursing called a slip lead, which is worn only to control the dog prior to release. The collar drops away as the dog is released to chase the lure and they run without anything around their necks that could be dangerous. **SLIP LEADS WILL BE PROVIDED**

INSPECTION – Dogs will be inspected by a designated Inspection Committee consisting of at least two persons who are members of the Field Committee and who shall inspect each entered dog for lameness, fitness to compete and female estrus (in season). Inspection shall take place prior to any form of wrapping being applied to the dog. In the opinion of the Inspection Committee, any entry found to be lame, unfit to compete or in season shall not be allowed to enter and the applicable entry fees shall be refunded.

ROLL CALL – The time, prior to the commencement of coursing, by which you are supposed to have your dog ready for inspection by the Inspection Committee. At roll call the dog is examined for lameness, *and breed disqualifications (where applicable)*. *Unspayed bitches are examined to see if they show any evidence of being in season.* After roll call the list of passed dogs is taken to the Field Test Secretary so that the run order can be prepared.

RUN ORDER LIST – This is a posted list of the running order for the dogs participating in the event. Always check the record sheet after the Roll Call to confirm your dog's Run Order.

Information on USRCC membership and events can be found at <https://www.utahsighthounds.org>

FOR EXPERIENCED HANDLERS

Pre-entered dogs can go directly to the Inspection Committee on the announcement of Roll Call. "Day of" entry dogs can go to Inspection after entries are received. Upon completion of Inspection, the Run Order list will be posted.

WHAT MUST MY DOG DO TO PASS THE CABT? The Coursing Ability Test (CABT) is a pass/fail test wherein all entrants always run singly. This is to say they run once, and they run alone. Because safety is of the utmost importance, the CABT takes into consideration the individual dog pursuing qualification and therefore has two different course lengths to accommodate the type and size of the entrant. In either case, dogs will chase a lure made of plastic strips.

CAN MY DOG EARN AN AKC TITLE FOR COURSING ABILITY? Titles will be awarded for dogs that pass the Coursing Ability Test the required number of times. These are suffix titles that will appear on a dog's pedigree with a higher-level title superseding a lower-level title.

Coursing Ability (CA) – Awarded to a dog that passes the Coursing Ability Test three times under at least two different judges.

Coursing Ability Advanced (CAA) – Dog passes the Coursing Ability Test ten times.

Coursing Ability Excellent (CAX) – Dog passes the Coursing Ability Test 25 times.

Coursing Ability Excellent 2 (CAX2) – Dog passes the Coursing Ability Test 50 times. A higher numbered title will be awarded for every additional 25 passes.

General Information:

There will be portable restrooms available for all competitors and participants. Weather in Utah is very unpredictable - expect anything from very hot temperatures to snow – bring rain gear, layers of clothing, hat, gloves, sunglasses & sunscreen!

USRCC expects all participants to adhere to the AKC Code of Sportsmanship at all times. Concerns or disputes may be brought to the Field Chairman for resolution.

As there is NO shade on the field – bring shade and water for your dogs and yourself. A penalty of \$5 will be assessed for any loose dog not competing in the course in progress. Pick up after your dogs. There will be a fine for NOT cleaning up after your dogs. Due to the proximity of neighbors to the parking area, dogs may not be off leash except when competing.

RV parking is available but there are no hookups. Dry camping is allowed on the field, but NO fires!
